

SPIRITUAL FOCUS

The mission of Christ Our Rock Lutheran High School includes the goals of spiritually strengthening our students and spreading the Gospel of Jesus Christ. CORLHS is a Christian school where God's love in Christ permeates everything. It is a place where students are encouraged in their faith walk. This is accomplished through four main avenues:

- 1) Intentional worship opportunities
- 2) Positive Christian influences
- 3) A caring atmosphere focused on brotherly love
- 4) Prayer

At CORLHS, we believe that every day of a Christian's life is one of worship. Therefore, the daily schedule includes intentional means for the CORLHS family to worship God. Every morning begins with the entire student body gathering for a brief devotion. Once a week, this time is lengthened for a chapel worship service. In addition, each student is enrolled in a daily theology class that dives into the Bible and applies God's Word to our lives.

CORLHS seeks to surround students with positive Christian influences. For this reason, all faculty and staff are active members of Christian congregations, with all full-time teachers

having been trained through The Lutheran Church Missouri Synod. In addition, a detailed application process has been designed to make sure that classmates will also be positive influences on each other.

The policies of CORLHS have been crafted to promote a caring, Christian atmosphere. The Code of Christian Conduct focuses on treating others with brotherly love, presented through three principles: be respectful, be restrained, and be responsible. Discipline procedures have also been designed to lead students through a process of confession, repentance, and forgiveness. Biblical examples and discussion of God's love and will for us permeate the entire curriculum.

Prayer is a mainstay at CORLHS, which includes prayer with our morning devotions, at the beginning of some classes, before and after meals, at athletic events, and more. Students are encouraged to take their thanksgivings and needs to the Lord in prayer.

Christ Our Rock Lutheran High School is a recognized service organization of The Lutheran Church Missouri Synod.
