## **Ford Drive One 4 UR School**

Thank you to all who came out and drove a Ford vehicle last Saturday. 300 test drives is quite a few but we did it. A special thank you to Wiegman Ford of Carlyle. They did a tremendous job promoting the event, providing food, and helping us to reach the goal. The success of the beautiful day could not have happened without the many volunteers. We all had fun. Now we await Ford's validation of the test drives in hopes of earning \$8,000.

### **“Pink Out” day is Monday, October 3**

In honor of Breast Cancer Awareness month, Student Leadership Team (SLT) is sponsoring a “Pink Out” day where students can wear either the school sponsored T-Shirt or another pink shirt. The goal of the day is to bring awareness to the fight against cancer. The proceeds from the shirt sales are going to the American Cancer Society, so far we have raised close to \$500. In addition to the shirts, SLT will be selling pink paper volleyballs for fifty cents each or three for a dollar. We invite

students, staff, and community members to write a name of relative or friend who has either battled cancer, passed away from the disease, or is currently fighting it. We will display the volleyballs either in the gym or in the entrance. The volleyballs will be sold during Monday night’s game. There will be other pink merchandise for purchase at the game as well. Also, we will have a donation bucket at the gate for the volleyball game.
