

In **Phase II** (Fall 2012-Spring 2014), we expect to accomplish the following . . .

✓Additional Building (\$460,000) - We have grown every year and believe that we will continue to grow by 10 to 15% a year for the foreseeable future. If this trend holds, we will run out of space in 2013 or 2014. We have established a plan to add a 5,000 square foot building that would provide three additional teaching spaces (including an art room) and additional bathrooms.

See the [floor plan](#) and the [exterior drawing](#)

✓Endowment Growth (\$75,000) -Christ Our Rock presently has a small endowment fund. We will establish a sizeable and growing endowment fund which will allow more students to attend CORLHS and secure the financial future of our institution.

✓Debt Reduction & Operational Support (\$150,000) - Refer to Phase I.
