

In Phase III (now through 2014 and beyond), we will focus on deferred gifts through an initiative that would provide Christian Estate Planning Services to individuals in our congregations and communities.

Using a variety of financial tools and techniques, individuals can design estate plans that will provide for their families and give incredible gifts to ministry. We will provide these services at no cost to families who are interested in supporting ministries.

CORLHS will not realize gifts from this initiative for years to come, but knowing that those gifts will further help reduce debt (\$250,000) and grow our endowment (\$1,750,000) is critical knowledge for the future of Christ Our Rock.

Phase III (2014 and beyond - Estate planning)

Debt reduction	\$ 250,000
Endowment growth	\$1,750,000
Total	\$2,000,000

One never knows what God has in mind, so we want to be prepared. We know that at any time God could bless us beyond these first three phases. If that occurs, the following goals come into play!

Debt elimination	\$625,000
Facilities enhancements	\$100,000
Program expansion	\$100,000
Total	\$825,000

Come and Soar with Us!

Is God calling you to support Christ Our Rock?

We invite you to act! Your partnership will make a huge difference in the lives that CORLHS will touch now and for generations to come. Please give prayerful consideration to this campaign. It will enable us to do what God has called us to do!
