

# SPIRITUAL FOCUS

---

---

Christ Our Rock serves families who desire their children to learn in a Christian environment. About 55% of our students are members of a Lutheran congregation. Other families come from Methodist, Baptist, Catholic and other Christian denominations, while some students have no church home. Over 25 different Christian congregations are represented in the CORLHS student body.

Christ Our Rock Lutheran High School seeks to spiritually strengthen our students and daily share the Gospel of Jesus Christ. This is accomplished through four main avenues:

- 1) Intentional worship opportunities
- 2) Positive Christian influences
- 3) A caring atmosphere focused on love and respect
- 4) Prayer

We at CORLHS believe that every day of a Christian's life is one of worship. Therefore, the daily schedule includes intentional means for the CORLHS family to worship God. Every morning begins with the entire student body gathering for a brief devotion. Once a week, this time is lengthened for a chapel worship service. In addition, each student is enrolled in a daily theology class that dives into the Bible and applies God's Word to our lives.

CORLHS seeks to surround students with positive Christian influences. For this reason, all faculty and staff are active members of Christian congregations, with all full-time teachers having been trained through The Lutheran Church Missouri Synod. In addition, a detailed application process has been designed to make sure that classmates will also be positive influences on each other.

The policies of CORLHS have been crafted to promote a caring, Christian atmosphere. The Code of Christian Conduct focuses on treating others with brotherly love, presented through three principles: be respectful, be restrained, and be responsible. Discipline procedures have been designed to lead students through confession, repentance, and forgiveness.

Prayer is a mainstay at CORLHS, which includes prayer with our morning devotions, at the beginning of some classes, before and after meals, at athletic events, and more. Students are encouraged to take their thanksgivings and needs to the Lord in prayer.

*Christ Our Rock Lutheran High School is a recognized service organization of The Lutheran Church Missouri Synod.*
