

## Volunteer Initiative

In addition to securing funds, the leadership of CORLHS will increase volunteerism and ownership in Christ Our Rock through this campaign.

### **Purpose:**

- A) to increase volunteerism and ownership in Christ Our Rock;
- B) to offset costs of operating CORLHS by relying on volunteers;
- C) to improve the overall operation of CORLHS and the high school experience of its students by using the expertise of volunteers for a multitude of areas.

**Goal:** to find at least 100 people that will donate 20 hours per year for three years.

CORLHS would not exist if it were not for the dedicated volunteers who selflessly donate their time to benefit the ministry of Christ Our Rock. Hundreds of people have served on committees, helped with events, provided knowledge and input in key areas, and much more. Now we desire to be more proactive and organized in the use of volunteers!

### **Other opportunities to serve . . .**

- ✓Christ Our Rock Lutheran High School has numerous committees and groups that guide various aspects of the school. The Association Board of Directors sets policy for the school. The CORLHS Foundation Board governs our Foundation which seeks to build endowment and assist with other development areas. The Development Advisory Council provides input to the Director of Advancement regarding our development plans. Other task forces or committees are formed on occasion to assist with various aspects of the ministry of CORLHS. We are always looking for people to serve on these groups.
- ✓Stallion Booster Club is our parent organization that can include other family members. The booster club seeks to support the programs, students, faculty and families of CORLHS.
- ✓We are always looking for people to help take “gate” at athletic events and people to keep the official book or clock for volleyball and basketball.
